Your Source For Senior Care

40 Years of Excellence

A MESSAGE FROM THE EXECUTIVE DIRECTOR

The year 2011 holds very special meaning for our organization. As we begin the New Year, we will also begin the celebration of 40 years of excellence of Aging Care Connections. What a milestone for our agency, the community and the older adults who have accepted us and what we have to offer into their lives. I could not be prouder of this milestone and invite all of you who have been part of our story over the past 40 years to join with us in celebrating aging, celebrating this fine resource which is part of the fabric of this community, and celebrating you.

In 1971, a group of committed community members came together as a result of a community needs assessment to found "Southwest Suburban Council on Aging" in response to the growing number of older persons relocating from Chicago to the near west suburbs. As the years went by and our program offerings increased, we became known as "Southwest Suburban Center on Aging" and continued doing business as such for many years. As you are aware, in 2009 we changed our name to Aging Care Connections to better identify the work we do and prepare for our role in the community over the next 40 years.

Throughout our history, we have demonstrated unwavering commitment to our mission of enriching the

quality of life of older adults and their families through a range of programs and services that enhance their well-being and independence. For 40 years, Aging Care Connections has been the connection to the most comprehensive, expert information, programs and services that enable older adults to remain independent and their families to make the best, most informed decisions regarding needed care in their lives. Although the face of these programs and services may have changed over the years to meet changing needs, Aging Care Connections continues as the premier, aging resource expert and the point of entry for aging services in our community.

This edition of the newsletter is the first of our 40th anniversary series highlighting the many milestones achieved over the past 40 years. As our story unfolds through these four anniversary issues, you will see the many faces of Aging Care Connections – past, present and future. We thank you for being a part of our successes and look to you for your help and support in continuing to be "your source for senior care." Please join us in making 2011 the year of Aging Care Connections!

Power of Attorney Workshop

The Center for Disability and Elder Law (CDEL) recently presented a program on the meaning and importance of powers of attorney for health care and property, as well as living wills. A second presentation will give attendees the opportunity to complete the documents on Wednesday, February 9 at 12:15 pm at Salerno’s Pincente Ristorante, 9301 West 63rd Street, Hodgkins.

A team of attorneys and volunteers from CDEL will be present on-site to make certain that all documents are understood and completed properly. Although preference will be given to those who attended the first session, there may be openings available for others who are interested in attending. Please call West Suburban Senior Services at 708-547-5600 if you would like to attend including whether you will have lunch before the session. Appointments are required. There is no cost to attend this program.

Caregiver Support Series

Aging Care Connections will be offering a five week series of classes for caregivers who are taking care of dementia patients in the later stages. If you are interested, please contact Ruth Folkening, 708-354-1323, extension 228 or rfolkening@agingcareconnections.org for more information.

DO YOU KNOW SOMEONE WHO HAS RECENTLY BEEN DIAGNOSED WITH DEMENTIA?

EARLY STAGE MEMORY LOSS CLASS FORMING

Aging Care Connections is currently forming a new series of classes for our popular Early Stage Memory Loss program. This is an eight-session series of classes specifically for older adults and family members to learn about memory loss from the perspective of treatment and planning. The classes focus on topics of how to discuss the diagnosis with friends and family, making plans for the future, exercise and treatment. Many older adults with a new diagnosis of dementia can become depressed and anxious about the future; the purpose of this series is about living well and adapting in a positive way. Both the “patient” and a family member are encouraged to attend together. Please call Ruth Folkening, Caregiver Specialist at Aging Care Connections, at 708-354-1323, extension 228 to learn more.

IMPORTANT 2011 BENEFIT AND TAX PROGRAMS

I. Income Tax

Aging Care Connections will once again participate in the AARP Income Tax Assistance program beginning February 7 in our building at 111 West Harris in La Grange. Appointments must be made; we will begin taking appointments January 18. This tax program is for simple tax returns. The AARP volunteers reserve the right to decline assistance if the tax return is highly complex.

Please have your income documentation, investment income and estimated tax payments and other pertinent records on hand prior to scheduling your appointment. Please bring copies of pension statements, social security statements, 1099s and a record of last year's return.

II. Senior Tax Freeze

Qualified senior citizens can apply for a freeze of the assessed value of their property. Aging Care Connections has not yet been informed of the 2011 income levels for the Senior Tax Freeze. Please call at 708-354-1323 after March 15 for further information, and as always, watch your mail.

III. Senior Citizen Homeowners Exemption

Seniors can save \$250 a year in property taxes, and up to \$750 when combined with the Homeowner Exemption. For the 2010 tax year, the applicant must have owned and occupied the property as of Jan. 1, 2010 and must have been 65 years of age or older during the year for which application is made. It is very important to watch your mail this year for notice regarding the Senior Citizen's Homeowners Exemption. If a notice is received to reapply, all seniors must return these notices to continue receiving this benefit.

Introducing the Secretary of our Board of Directors **CATHERINE S. MCCRORY**

Cathy McCrory has been on the Aging Care Connections' Board since 2003. She co-chairs the Development Committee, is a member of the Personnel Committee and serves on the Sports Ball Planning Committee. Cathy is an attorney in private practice in La Grange specializing in real estate transactions and estate planning. Previously she was affiliated with the law firm of Jones, Faloon and Kenney Ltd. in La Grange.

After serving as Assistant State's Attorney for five years, Cathy had the interesting good fortune to spend several years working in London through the Pepperdine University Moot Court Program and also in a law office handling immigration matters, work permits, and contracts.

She earned her law degree at The John Marshall Law School and her Bachelor's Degree at St. Mary's of Notre Dame.

Cathy is married to John Rossmiller and has two daughters, Cate (9) and Zoe (7). She is involved with St. Cletus School and parish in her spare time. It is a pleasure to introduce you to the Secretary of our Board of Directors, Cathy McCrory.

AGING CARE CONNECTIONS' AGING WELL PROGRAM "TEAMS" UP WITH WEST SUBURBAN CHAMBER OF COMMERCE AND INDUSTRY TO BENEFIT SENIORS

By WSCCI Staff

When shopping in stores, dining in a restaurant, or visiting local businesses, some people have difficulty. Customers may use canes, be in a wheelchair, or have difficulty hearing or seeing. It doesn't matter if the need for assistance is due to chronic disease or age-related issues. Businesses want to provide the best possible customer service for everyone who walks through their doors.

The West Suburban Chamber of Commerce and Industry Foundation, with funding from the Illinois Department of Human Services, is working on a project to help improve customer service for people with disabilities. The goal is to create training materials for frontline customer service staff to be available to local businesses. Additionally, a seminar for Chamber members will be held in late spring of 2011 to raise awareness about this issue.

WSCCI Foundation recently partnered with Aging Care Connections' Aging Well Community Action Teams and held focus groups at Aging Care Connections to talk with seniors about problems they encounter when shopping or dining in

the local communities. The attendees were asked about the service they receive, what could be done to help make the experience easier, and how they describe good customer service. The groups were very engaged and provided some great feedback regarding their experiences. Their assistance was greatly appreciated by the Chamber!

COUNTRYSIDE AGING WELL COMMUNITY ACTION TEAM MAKES A DIFFERENCE

By Linda Hussey, Community Relations Coordinator

The Countryside CAT has been very busy this fall making a difference in the lives of seniors in the area. First, on a cold and rainy Saturday in November, the Countryside CAT joined forces with volunteers from Cub Scouts, Girl Scouts, Indian Princesses and their dads, St. Cletus, Grace Lutheran, St. Thomas Hospice, Gurrie Junior High, and CEP to rake leaves for those seniors unable to do the job themselves. The day started at the Countryside City Hall and from there the many groups traveled to more than 25 properties in the Countryside, Hodgkins, La Grange, La Grange Highlands, and Western Springs area. Helping on this project were John Von Drasek, Community Action Team member and Village of Countryside Trustee, along with Officer April Bisignani, Community Action Team member and Elderly Services Officer (ESO). Despite the rain, the leaves were raked, and everyone had a great time.

Then, in December, the Countryside CAT planned, in conjunction with the City of Countryside, a fun and informative reception for the new residents of the Countryside Senior Apartments of Lyons Township. The new subsidized senior residence opened this Fall. Residents heard from Countryside's Mayor Robert Conrad; Debbie Verschelde, Executive Director of Aging Care Connections; and other representative, from Aging Well, the Countryside Police Department and Pleasantview Fire Department. Each resident received a folder of information to facilitate their move to Countryside.

Residents of Countryside Senior Apartments of Lyons Township enjoy a reception with Mayor Robert Conrad and Aldermen John Von Drasek and Karen Michalczyk.

HAPPY NEW YEAR!

Prescription Drug Coverage for Older Adults and Persons with Disabilities

How does Illinois Cares Rx work if I have Medicare?

If you are enrolled in a coordinating Medicare drug plan, Illinois Cares Rx will pay monthly premiums for your coordinating Medicare drug plan and help pay other drug costs. You must follow the Medicare drug plan formulary.

In 2011, you will pay:

- \$2.50 for generic drugs
- \$6.30 for preferred brand name drugs
- \$15 for specialty and non-preferred brand name drugs
- 20% plus co-pays after \$2,830 in drug benefits have been paid on your behalf

NOTE: Some drugs may require prior approval from your Medicare drug plan.

You will receive an Illinois Cares Rx card and Medicare drug plan card. Take both cards to the pharmacy.

How does Illinois Cares Rx work if I do NOT have Medicare?

Once you are determined eligible, Illinois Cares Rx will help pay your drug costs.

In 2011, you will pay:

- \$2.50 for generic drugs
- \$6.30 for preferred brand name drugs
- 20% plus co-pays after \$1,750 in drug benefits have been paid on your behalf

NOTE: Some drugs may require prior approval.

You will receive an Illinois Cares Rx card to use at the pharmacy.
