

BECAUSE AGING WELL MATTERS

We are a leader in providing client-centered care that focuses on improving the quality of life of older adults, their families, and caregivers in our community. We have the most comprehensive information on programs and services that allow older adults with physical, emotional, mental, financial, and healthy living needs to live safely and independently in their own homes.

WHO WE SERVE

We serve adults age 60+, adults with disabilities age 18-59, and their families in 38 communities in the townships of Norwood Park, Leyden, Proviso, Lyons, and Riverside.
