

Time to Review Your Medicare Plan!

Every year Medicare Part D plans can change the list of medications they will cover. The plans' premiums, deductibles, and co-pays can also change each year.

All Medicare beneficiaries should check their Part D coverage each year during Medicare's annual open enrollment period which runs **October 15th through December 7th.**

Make sure you will have appropriate prescription drug coverage in the new year. You can receive free, unbiased assistance with plan comparisons from a Benefit Specialist at Aging Care Connections!
